School Assisted Places (SAPS) and Assisted Scholarships

School Assisted Places (SAPS)

The Foundation has funds available to provide financial support towards the tuition fees for those on low incomes.

Assisted Scholarships

We offer a small number of Assisted Scholarship places to pupils joining us in Year 12. Scholarship offers are based on the combined information gathered from predicted GCSE results, family income and a formal interview with the student.

Parents/Legal Guardians who indicate on this form that they wish to be considered for means tested financial support will be sent a **Statement of Financial Circumstances Form** which must be completed and returned together with the relevant supporting documentation by the end of December preceding year of entry. It is not possible to consider late applicants for means tested financial support as the funds available are allocated in January. The award verification process will include a home visit.

I have read and understood the above and wish to apply for a **means tested Assisted Scholarship**.
