Loughborough Schools Foundation Pupil Transport Team

For many years Roberts have been operating and managing home to school transport for schools across Leicestershire. Their vehicles are tracked and can be monitored, along with driver performance, ensuring Roberts have a clear oversight of all their services.

In conjunction with the Foundation's Transport Manager, Roberts ensure that all compliance and safety checks are routinely undertaken, and all records and buses are regularly maintained.

Pupil Service

All of the bus routes only transport pupils from Loughborough Schools Foundation, with the exception of the Nottingham City Transport Bus from Nottingham, which is a public service. Pupils who are in Year 3 and above can use the school transport services and the buses arrive and depart from the coach park, which is situated off the A6 Leicester Road, next to the main car park. The coach park is supervised both before and after-school by members of School and Estates staff and buses arrive and depart as per the route timetables.

Prep School pupils from Fairfield and Amherst are brought over to the coach park at the end of their school day and are supervised until the buses arrive at 16:00.

All pupils using the bus services will need to carry their bus pass and present this to the Bus Driver as they enter the bus. All costs and timetable information can be found at <https://buspass.robertstravelgroup.co.uk> as well as the online booking system and details of several payment options.

Roberts Travel Group pride themselves on delivering customer focused service to meet the evolving needs of Foundation families. Where possible routes can develop and adapt to meet demand and please note that if a route is displaying as full or it doesn't quite match requirements, please do contact Roberts Travel Group to discuss all potential new or alternative options.
