Inspiring Performances

Welcome to our Music and Drama events!

I am certain that amongst our extensive and wide-ranging programme you can find something that interests you. As always, we have our regular offerings of Lunchtime Live, Soundbites and Tasting Notes. For the first time this year we will hold a Symphony Orchestra, String Ensemble and Symphonic Wind Band concert 'Autumn Serenade', at Leicester Cathedral in November. This gives our flagship ensembles a further opportunity to perform in the community at the newly refurbished cathedral.

So with all that in mind, why not try something new this year; whether it is the Autumn Serenade, a Lunchtime Live or Art at the Jazz Café, you will always find a warm welcome and fabulous music!
