Issue 1 - January 2010

The Past Pupils and Staff Association seen many new faces over the past 4 months at the autumn events. Now we are looking forward to events in the spring and hope they will attract as wide a range of membership attendance.

At the lunch on 7th November, members dined in the recently converted dining areas and were amazed at the quality of provision the school has now made for its students. They were treated to a tour of the ground floor areas by Lawrence Wright, the school's business manager, which included the new music room and assembly hall provided for the Junior department. With work continuing in the upper floors of the building, many will be returning to gain a sight of those new facilities too.

Christmas Carols by candlelight was an intimate affair held in the chapel. These events hosted past pupils from the 1920s to those who had more recently left in 2003. Photos from both events can be seen on the school website, on the PPSA section.

Chapel Changes!

The beautiful Chapel in the Convent is regularly used in school as the location for assemblies, liturgies and many years of Nativity Plays. Sadly, a number of years ago the Pews were removed by the Sisters. Since then, the Chapel has used temporary furniture and a mismatch of school chairs.

The school is now looking to raise enough money to restore the Chapel, but this time with chairs. Individual chairs allow for greater flexibility for the Chapel to be used more frequently and for a variety of events.

We will soon be offering members the opportunity to Sponsor A Chair. If you used to scratch your name into the desks, this could be the perfect opportunity to have your very own, personalised chair! You can club together for a chair or even a chair for a family of Alumni. Keep an eye out for further PPSA mail, and check the website for more details!

Past Pupils and Staff Association AGM

Traditionally this event takes place on the first Sunday after Easter, but as the school will still be closed for the Easter holidays it will take place on: **Sunday 11th April**. We are planning something special for this event, so keep an eye on our website and look out for more information.

Where are they Now?

Louise Amor - nee Oddie (1960 – 1973)

Louise has written a book about her time at the school. It is a fascinating insight into the feelings of a young child when she first went to school, but when she talks of scrambling to her feet when the headmistress enters the room, and her first meeting with Sr Angela, we can all raise a smile of recognition. The proceeds for the book all go to the LOROS Hospice. If you would like a copy they are available now in LOROS Shops. Alternatively, you may send a cheque for £5.00 made payable to LOROS, for the attention of Rowena Gibbons. Books can be posted out, or collected from LOROS and the Convent
