School Assisted Places (SAPS) and Assisted Scholarships

The Foundation has funds available to provide financial support towards the tuition fees for those on low incomes.

We offer a small number of Assisted Scholarship places to pupils joining us in Years 7, 8, 9 and 10. Scholarship offers are based on the combined information gathered from assessment scores, family income and a formal interview with the pupil.

Parents/Legal Guardians who indicate on this form that they wish to be considered for means tested financial support will be sent a **Statement of Financial Circumstances Form** which must be completed and returned together with the relevant supporting documentation by 31 October 2023. It is not possible to consider late applicants for means tested financial support as the funds available are allocated in January. The award verification process will include a home visit.

I have read and understood the above and wish to apply for a means tested Foundation School Assisted Place.
