## **Key Stage 1 - Acceptable Use Policy**

- At school I will tell an adult if I see something that upsets me or makes me uncomfortable.
- At school I will take care of the computers and iPads.
- At school I know that if I don't follow the rules I might not be allowed to use a computer or iPad because the school knows what I look at on the computer and the iPad.
- At school I will ask for help from a teacher if I am not sure what to do.

- I know that the school has a system that keeps me safe when I use the internet. It stops me seeing pictures and words that are not appropriate for me.
