

STATEMENT OF BOARDING PRINCIPLES & PRACTICE

We are a Catholic School. We welcome everyone and we respect everyone for who they are. We work together to become enquiring, kind and brave. We are one family, and everyone is known and loved.

STATEMENT OF PRINCIPLES

The following are the six principles upon which boarding at Loughborough Amherst School is based:

1. To **provide boarding facilities for students** as part of the Loughborough University National Tennis Academy (LUNTA) partnership, as well as others whose parents have requested it and who are in sympathy with the aims and objectives of the School
2. Being an open and trusting school, **boarding is based upon mutual respect** for all members
3. Each boarder has **the right to be able to work, play and relax free from abuse, intimidation, harassment, teasing and bullying**
4. There is **equality of opportunity and respect for all boarders**, regardless of ethnicity, culture, gender or disability
5. Each boarder has the **right to extend their intellectual growth** in an **atmosphere of positive encouragement** and in conditions that are conducive to work
6. Links with LUNTA staff, the Lawn Tennis Association, parents and / or carers are seen as **an indispensable part of the support and development of boarders** in this school

STATEMENT OF INTENT

Glengairn House provides a comfortable, safe and caring term-time home, where each boarder feels of value, and can be helped to achieve all to which they aspire through a range of social contact, academic support and compassionate guidance.

Amherst boarders are also currently housed in School House at Loughborough Grammar School, but under the care and oversight of Mrs Bruton as Head of Amherst Boarding.
