- Jonnie Johnson Travel Bursary
 - To have been on a week's long residential course
 - Gold DofE Expedition
 - Help on an Activity in the Lower School
 - Gain a Nationally recognised Qualification – eg SML/MTB Leader etc

*In the senior school the CCF is the main provider of Outdoor Pursuits. Many of these require the cadets to 'opt-in' to courses run by the national organisation. This year we have boys attend week long MTB and scuba dive courses for £40. Also on offer are £300 climbing in Spain or £400 ice climbing in Norway all in! These are fantastic opportunities and I can't stress enough how worthwhile they are. Pupils should not be put off by the armed services link – they are just acting as providers rather than recruiters. Most courses are found here: <https://www.armycadetadventure.co.uk/> but there also others advertised through the CCF at School.

RUGBY

Coordinator: Mr E Lewis

KNOW: Junior rugby (7&8)
Tuesday, Wednesday after School
Position and skill specific clinics at lunch

- Young Science Journal
 - Nuffield Placement
 - International Competitions based on success in Big Bang
 - STEM Sundays
 - Mentoring of lower school projects

OTHER SPORTS AND ACTIVITIES

It is likely that you are involved in another sport or activity outside of school for example Explorers. Your development is just as important to us so do talk to the Sports Staff about conditioning support or myself about what you might need to do for Good to Great etc. Hopefully the above will give you an idea as to where the bar is.
