1.0 The law on attendance and right to a full-time education

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. When parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

For the most vulnerable pupils, regular attendance is also an important protective factor and the best opportunity for needs to be identified and support provided. Research has shown associations between regular absence from school and a number of extra-familial harms. This includes crime (90% of young offenders had been persistently absent) and serious violence (83% of knife possession offenders had been persistently absent in at least 1 of the 5 years of study).

In very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs.

2.0 Expectations of Schools

All schools have a continuing responsibility to proactively manage and improve attendance across their school community. Attendance is the essential foundation to positive outcomes for all pupils and should therefore be seen as everyone's responsibility in school. The most effective schools consistently promote the benefits of good attendance at school, set high expectations for every pupil, communicate those expectations clearly and consistently to pupils and parents, systematically analyse their data to identify patterns to target their improvement efforts, and work effectively with the local authority and other local partners to overcome barriers to attendance. They also recognise that attendance cannot be seen in isolation and that the foundation to good attendance is a calm, orderly, safe and supportive environment in which all pupils want to attend and can learn and thrive.

Heads of Year at Loughborough High School receive training on attendance through the regular Head of Year Meetings. Other staff receive attendance training through the yearly Safeguarding Training and through regular reminders in the weekly staff briefing.

Good attendance is incentivized at Loughborough High School by striving to make the environment a place where everyone can feel they belong.

3.0 LHS Attendance Protocol

Registers

The admissions register is held with the Data Team on the MIS and is downloaded on to a data stick monthly, the attendance register is recorded in the electronic Management Information System, ISAMS (from April 2023, previously Sims)

Taking the register

- Registers are taken in ISAMS.
- Registers will be taken every morning at 08.40 by tutors and again at 14:20 at pm registration.
- Registers will be taken for every academic session, e.g. if there is a double lesson, once.
- A present mark will only be allocated in the instance that the student has been seen by the tutor taking the register (/).
- If the student has not been seen by the tutor an absence mark (N) will be used.
- If a student is late and the register has been submitted, they must be registered as late.
- The LHS Receptionist then recodes the N entries to reflect the absence type.
- Absence codes are used in line with the government document Working together to Improve School Attendance 2024 and are summarised in Appendix 2.

Cover lessons

- It is expected that the cover teacher will take the register in ISAMS.

Monitoring the register

- Registers are monitored by the LHS Receptionist.
- A text message is sent to the parents of students not marked in morning registration. The text message is sent by 10am.
- The Senior Attendance Champion, Rebecca Connick, sends out a weekly reminder to Heads of Year, to monitor attendance.
- Heads of Year access attendance data via the attendance dashboard on iSams.
- Heads of Year act on those students who have less than 95% attendance.

When to act on student attendance

- 95% attendance raises an internal alert from the Head of Year to the tutor. Tutor is to check in with the student
- 90% attendance raises a standard letter (at the discretion of the Head of Year) home from the office with Head of Year signature on. Example letters can be found in Appendix 1.
- 80% attendance parents may be invited in.
- 50% attendance an attendance contract and/or a referral to inclusion services could be considered.
- the local authority should be provided with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness.

The Senior Attendance Champion will be responsible for making sure that students below 80% attendance are followed up with appropriate action.

Whilst every pupil has a right to a full-time education and high attendance expectations should be set for all pupils, this attendance policy accounts for the specific needs of certain pupils and pupil cohorts at LHS. This policy should be applied fairly and consistently but in doing so LHS will always consider the individual needs of pupils and their families who have specific barriers to attendance.

Absence requests

- Absence from school for a routine appointment during the school day, such as doctor or dentist, can only be approved by the form tutor or Head of Year, but please bcc. Reception so that they are aware.
- Any absence from school for up to one day is only to be authorised by the relevant Head of Year (or the Head if more appropriate).
- Any absence from school for more than one day is only to be authorised by the Head.
- Holidays that are requested during term time will be given an absence code G and are categorised as unauthorised absence.
- If an absence request is received from a parent please forward it to the relevant form tutor, Head of Year or to the Head's PA for authorisation, and to ensure that we remain fully aware of all absences.
- When authorising any absence of a day or more from school, please bcc. the relevant form tutor, reception and music (Eloise Hipwell) so that music lessons can be cancelled/rearranged.

Internal Truancy

- Is the action of staying away from lessons while being present in school without good reason.
- Is not accepted and will be dealt with as part of the Low-Level Student Concerns process within the Behaviour Policy.

Truancy

- is the action of staying away from school without good reason.
- Truancy is not accepted and will be dealt with as part of the Serious Student Concerns process within the Behaviour Policy

Sixth Form

- Sixth form students are expected to be in school for the full school day
- Sixth form students may leave site during lunch time
- Any sixth Form student leaving site, or going to LGS or LAS must sign out at reception

Non-planned Absence

- Parents and carers are expected to ring reception or send an email to reception on a day where there is a non-planned absence e.g. illness
- Reception will ring parents of any students that are not accounted for either by a present mark in the register or by a phone call or email to reception by 10am

Lateness

- Will be indicated on iSams
- Will be dealt with as part of the low-level student concerns within the behaviour policy

4.0 Children Missing from Education

Children being absent from education for prolonged periods and/or on repeat occasions can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and child criminal exploitation - particularly county lines. It is important the school or college's response to persistently absent pupils and children missing education supports identifying such abuse, and in the case of absent pupils, helps prevent the risk of them becoming a child missing education in the future. This includes when problems are first emerging but also where children are already known to local authority children's social care and need a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.

To identify prolonged absence at Loughborough High School, the Form Tutor will alert the Head of Year when a student has been absent for 3 consecutive days, the Head of Year will consider whether communication is needed with parents/carers.

Fortnightly analysis of attendance data will include analysis of daily attendance of students with 90% attendance or less to identify repeated or patterned absence.

There are occasions when student struggle to come into school, at LHS we would endeavour to work with the student and their family to encourage school attendance, this may include moving to a part timetable which could allow students late starts or early finishes. Where prolonged absence is unavoidable due to illness, mental health or other extenuating circumstances, the school will strive to keep in touch with students via a combination of Teams video calls and home visits.

Letter for a parent of a student in Years 7 to 11

Dear (name of parent/carer)

Your daughter's attendance so far for this academic year has been reported at XX.

90% attendance means that your child is absent from lessons for the equivalent of **one-half day every week**. Over five years this is the equivalent of about one half of a school year. This is a considerable time of absence and can affect your daughter's learning and enjoyment of school. To encourage a sense of belonging to Loughborough High School, we would encourage your daughter to be in school for as many days as possible so that she can access all we have to offer, have maximum contact time with our expert teaching staff and enjoy socialising with peers.

The table below indicates the number of missed school days for given percentage attendances.
