The following are five principles upon which boarding at LGS is based:

1. Being an open and trusting school, boarding is based on mutual respect for all members
2. Each boarder has the right to be able to work, play and relax free from abuse, intimidation, harassment, teasing and bullying
3. There is equality of opportunity and respect for all boarders, regardless of ethnicity, culture, gender or disability
4. Each boarder has the right to extend his intellectual growth in an atmosphere of positive encouragement and in conditions that are conducive to work
5. Despite the often great distance separating boarders from their families, links with parents are seen as an indispensable part of the support and development of boarders in this school

Boarding primarily exists to enable boys to attend Loughborough Grammar School who would, by reason of distance or domestic circumstance, otherwise be unable to do so, and whilst doing so take as full a part as possible in the varied life of the school.

Boarding is also offered as a facility to all families with boys at the school. Any boy may board on a casual or full-time basis for whatever reason by agreement with the Housemaster.

It is our hope and intention that each House provides a comfortable, safe and caring term time home, where each boy feels of value, and can through a range of social contact, academic support, and compassionate guidance, be helped to achieve all to which he aspires.
