### **COVID-19 (Coronavirus): Visitor Policy**

In response to the global Coronavirus outbreak, Loughborough Schools Foundation has implemented a strict visitor policy to safeguard the health and wellbeing of the whole Foundation community.

Our policy has been developed in accordance with the advice and guidance given by Public Health England (PHE), the Boarding Schools' Association (BSA) and the Medical Officer of Schools Association (MOSA), supported by our in-house medical teams.

Given the close-knit environment in our Schools and boarding houses where viruses could be transmitted easily, our number one priority is to safeguard the health and wellbeing of our pupils/students, staff and the wider community, and this policy forms part of the measures we are implementing to support this.
